

Pipestone Cares

At the core of community is humanity. As a core value of our company, **CARING** in the communities we touch is a focus. **PIPESTONE CARES** is an initiative launched in 2015. Shareholder groups are asked to contribute farm funds to charitable projects in communities the sow farms are located.

Community Outreach

These funds are intended for charitable use in communities where sow farms and/or owners are located, though not limited to those communities. Our mission is to support causes that help with hunger, children, pigs and pork. Here are some examples of how funds have been used by some farms.

What is a “good charitable cause”? Some suggestions, but not limited to these parameters:

- Does it touch your farm, staff or owners?
- Does it promote ag or your farm?
- Does it provide farm or system recognition of support?
- Does it provide opportunity for farm/system touch, physical presence?

Areas commonly supported:

- Fire Departments & EMS Services
- Pork Feed, BBQ Contests, Community Pork Dinners
- Youth sport teams
- Youth Education teams (robotics, 4-H, Quiz Bowl, etc.)

What we have done in the past

In 2021, over \$235,991 was donated to local communities. Check out our website at <https://www.pipestone.com/community-pipestone-cares/> to see what we have donated to in the past.
