Old McDonald Easter Eggs

Turn your Easter Eggs into a fun Old McDonald's farm set!

INSTRUCTIONS

Use plastic, wooden, or dye eggs in the base animal color.

Cut the template out and trace it onto cardstock or color each piece. Cut each piece out.

Glue the pieces of the ears together and use a black marker to draw lines onto the straw hat.

Draw facial features onto each egg and don't forget to add character such as spots on the cow.

Glue the ears onto each egg, the straw hat onto the farmer etc.

Glue a small piece of a feather on the duck's head.

Your eggs are finished!
